Course Description:

Get an overview of the changes from the 2006 to the 2009 IBC®. Identify changes in organization and code requirements and the applicability of these requirements to design, plan review and inspection.

Objectives:

Upon completion of this seminar, participants will be better able to:

- Identify the most significant differences between the 2006 IBC and the 2009 IBC.
- Explain the differences between the current and previous edition.
- Identify changes in organization and code requirements.
- Identify the applicability of design, plan review and inspection requirements.
