

Architecture Exchange East 2008 at a Glance

Wednesday

- W-01 2006 IBC Architectural Applications for Designers
- W-02 Life Time Homes: A Study in the Use of Universal Design Features
- W-03 Mr. Jefferson's BIM: How Architects Can Help Improve Democracy
- W-04 Managing Construction Risks in a Changing Industry
- W-05 A.R.E. Graphic Divisions: Building Technology

Thursday

- 101 A.R.E. Graphic Divisions: Site Planning
- 102 The Renaissance of the Steel Window
- 103 Sustainable Building Projects Using Concrete Masonry and LEED®
- 104 [Master Architect Series] Erich Mendelsohn: Sketching a Vision for Architecture
- 105 Facilitating Change: Modernizing Older Academic Buildings with Minimal Disruption
- 106 How to Start a Design Firm
- 107 Fabric Architecture/Fabric Structures
- 108 What the Code Official Doesn't Know Can Hurt You
- 109 Cultivating Your Firm's Most Valuable Assets: Young Professionals
- 110 New Technology Utilizing Total Precast School Construction in Virginia
- 201 A.R.E. Graphic Divisions: Building Planning
- 202 BIM Beware!! Best Practices for Navigating the Pitfalls
- 203 Best Detailing Practices for Masonry Construction
- 204 [Master Architect Series] Touch is Essential: Materiality in the Work of Peter Zumthor
- 205 The 18th-Century Way: Part I
- 206 [TOUR] The Rehabilitation of Miller & Rhodes
- 207 Responding to the Climate Change Imperative: Designing for Reduced Emission Greenhouse Gases
- 208 Diversity, Sustainability, and Integrated Project Delivery: Pursuing the Triple Bottom Line
- 209 Industrialized Furniture and Architectural Education
- 210 Elevating a Project Manager to a Business Manager
- 301 A.R.E. Graphic Divisions: Test Preparation
- 302 Building Green: How Fenestration Materials, Manufacturing, & Installation Can Help a "Green" Project
- 303 Designing Worship Furniture in the Worship Space
- 304 [Master Architect Series] A Child of the Sun: Ft. Southern College Campus designed by Frank Lloyd Wright
- 305 The 18th-Century Way: Part II
- 306 Women in Design: The Leadership & Career Development Journey
- 307 Move Toward Integrated Project Delivery with AIA Contract Documents
- 308 What Goes Where? Drawing and Specification Coordination
- 309 Sustainable Site Design: A Better Approach & More
- 310 Feedback: A Customized Process For Designers

Friday

- 401 Green and Sustainable Concrete Homes
- 402 Built to Last: Laboratory Furniture Construction
- 403 VSAIA Prize for Design Research & Scholarship
- 404 [TOUR] Historic Sacred Spaces
- 405 Green Business 101
- 406 Automated Estimating with Revit and the Use of Acrobat 3D
- 407 The Federal Government as Client: A Guide to the Basics
- 408 Introduction to Coatings: Field Performances and Application
- 409 Building Compression: Designing for Efficient Habitation
- 410 Navigating the Green Building Maze
- 501 Architect-Led Communities
- 502 Insulating Concrete Forms (ICF) for High Performance Schools
- 503 Sustainable Design & BIM
- 504 Understanding the Horizon
- 505 Seeing is Believing: 3-D Visualization in Historic Preservation & Rehabilitation
- 506 2008 President's Forum: Change our Business Strategy or Work for Others
- 507 Manage Your Financial Risk Using Internal Controls
- 508 Structural Insulated Panels: Manufacturing, Design and Construction "Lessons Learned"
- 509 Construction Economic Outlook
- 601 Awards for Excellence in Architecture Jury Presentation
- 602 Awards for Excellence in Architecture
- 603 BIM Expectations and Next Steps
- 604 Architectural Precast Concrete Design
- 605 Cathedral of Christ the Light, Oakland, CA
- 606 IDP Outstanding Firms
- 606 Historic Tax Credits
- 607 Sustainable by Example: A Case Study
- 608 Brick Veneer Steel Stud Backup Exterior Wall System
- 609 Trends in the Design of Senior Living Facilities
- 610 The Modern Architectural Practice: A Learning Organization
- 701 Evolving from CAD to BIM: A Real-World Perspective
- 702 CPTED and the Architecture of Crime Prevention
- 703 Architect, Builder, Developer: Triple-Dip The Real Estate Market to Build Wealth
- 704 Secular and Sacred
- 705 A Historic Masonry Primer
